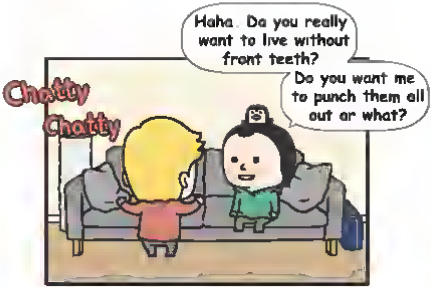
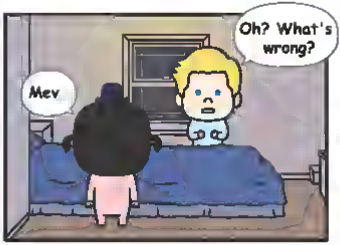
Mev is mature

If someone osks me
whot makes Mev ottroctive, .

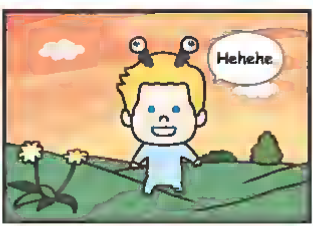


Most of the time,
what he says makes me crazy.

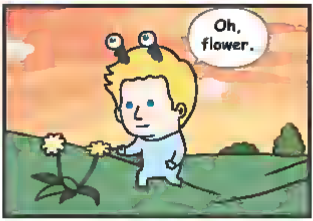
But when I feel like
I've run into a brick wall
becouse of sodness, onger
or disappointment,...



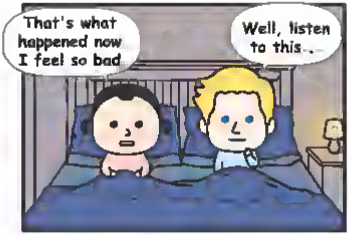
... first of oll,
I need o conversotion with Mev
in his arms.



... definitely, I would talk about his natural childlike cuteness.



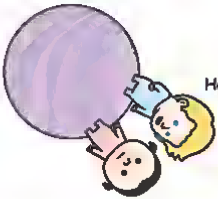
But something that is even more attractive about Mev is his maturity



Although his answer is not 100% correct all of the time,...

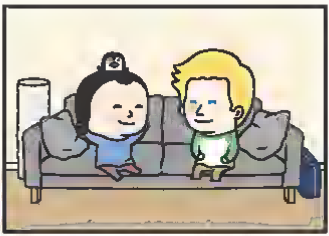
You are thinking about this now.

...his short message helps...



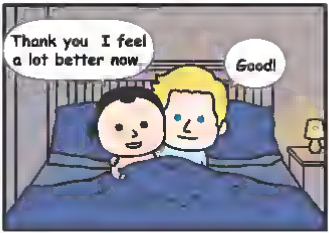
...me to think about other things

What Mev recently told me and helped me was this.

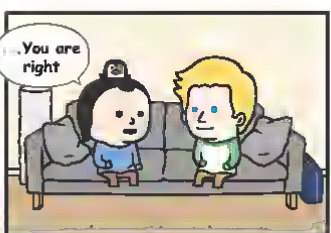


Because of Mev, I smile.

A few days later.



That's what I found out about his maturity



It made me realize that
I didn't have time to be upset
because life is too short.

Look at this! It's crumbled!! Gosh!!
Let me see

See! It's impossible to fix! You didn't need to touch it!

Oh... Don't get too upset, Penguin, you are wasting time

that you could be happy now.
...

I'm very
pretty

This mad man makes me laugh.
